The Chicago Police Came To a Deceased Man Home seen That This man lived in comfort in his days of living so they destroyed his Place of Residence. One of the Corrupt officers Told me while sitting on the arm of my cream color couch He said oh yeah we've pretty much Tossed your whole House Than He laughed as IF He had Pure Hate For My deceased son [REDACTED] Also I have never felt That Type of Fear before I literally Thought I was about To Be killed by These Officer's. Bottom line is These Corrupted Team of Plain Clothes officers Came in my Home without Probable Cause. These officer's Robbed, Vandalize, disrespected me my Home and the Memory of my deceased son. Where is my Justice I want it Right now For Me and My Son [REDACTED] I Pay Taxes and My Deceased Son Pay Taxes and we Both are United States Citizen's I Think at This Point, I want These Corrupted officers Prosecuted And Treated like the Hostage I was. They All are like that Corrupted officer Flannigan who Just got Three years Flannigan said on national T.V. My Bosses knew what I was Doing.
